

**Azores Broadcast RCT -
Absorber****Absorption**
PRO AUDIO & STUDIO**Description**

The Azores Range represents freedom. Freedom to create. Freedom to play. Freedom to design your perfect acoustic treatment. The Range of 31 Colours was conceived to unleash your inner creativity - throughout Walls, ceilings and clouds. The Azores range is universally compatible - and compatible with the rest of the Artnovion range. Azores is designed to treat first reflections, or to get the perfect RT in your space. With fully mechanical, adjustable fixing systems - creating your dream environment has never been easier.
