

CMRBB

on-Wall box for CMR loudspeaker range

With the CMRBB on-wall back-box you can change a 5" CMR built-in loudspeaker into a cabinet speaker. This back-box makes it possible for the CMR series (CMR608 / CMR20T) to be build on the wall or ceiling.

The standard colour is white. From 12 pieces on, the back boxes can be painted optionally in any other RAL colour.
