

ENTERTAINMENT STAGE & CLUB

COLOUR PAR SERIES

GENERAL INFORMATION

The CLF Colour Par series offers a perfect solution for all sorts of stage and club lighting where a reliable RGB LED lighting source is being required. The CLF Colour Pars differentiate themselves by extra attention for the quality of individual components.

The Colour Par 12 is very suitable for medium to large size venues, as the Tricolor Mini Par is very

suitable for clubs & bars and medium size rental applications.

The Colour Par 12 has Powercon in/output connectors for fast and easy daisy chaining of units.

Due to a special selection of LED's the CLF Colour Par series can generate very saturated and intense colours.

MAIN FEATURES

- **CLS Camlock System** for fast mounting of clamps
- **Programmable on board** scenes and chases for stand alone use.
- **Powercon** in/out connectors for the Colour Par 12
- **Dual joke bracket** for truss mounting or floor use
- **Very rich colours** due to special selection of LED's
- **Power cable** Included at every unit.
