VISTA POWERDOME RANGE OF MOUNTING BRACKETS

VISTA POWERDOME BRACKETS

These brackets have been manufactured to exacting specifications specifically for use with the Vista PowerDome™ range of fully functional dome cameras.

The large choice of mounting options reflects the flexibility of the PowerDome and a suitable option can be found for most of today's CCTV applications.

VDM-CMAg
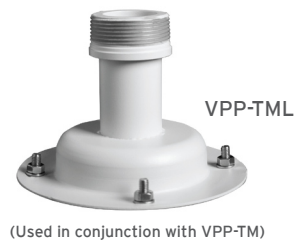

VPP-TM

VDM-EPMAg

VPP-WM

VISTA POWERDOME LITE BRACKETS

These versatile vandal resistant brackets offer choice of location (internal/external and wall and pendant) and choice of application being suitable for both Vista PowerDome™ Lite domes and the VVRDF and VVRD vandal resistant domes.

Although being designed for external use these aesthetically designed brackets will be equally at home being installed internally.

To assist in protecting the high risk and vulnerable areas.
